

2013 Preseason Power Rankings:

Overall Rank. Team (League Rank)

1. Cardinals (NL1) – Possibly the most historic team ever in the SWBL. 7 Championships, 8 MVPs, and 9 CY Young Awards.
2. Brewers (NL2) – Arguably the most well rounded team in the league. Could be this year's Rays as Peter looks for his first 'ship.
3. Rays (AL1) – Can they repeat the same success they had in Season 10? Probably not, but they will still contend and have the tools to win the AL.
4. Yankees (AL2) – The Bash Brothers are back as the Yankees try and recreate their 2011 magic.
5. Royals (AL3) – Gus and Edloe have become one of the most feared offensive pairs in SWBL history, but can it carry them to the playoffs for a second straight season?
6. Rockies (NL3) – Blake is the MVP front-runner again but can they repeat the same success with the same game plan?
7. Giants (NL4) – Rob leads this Expansion Franchise in his first term as a Captain, with two Rookies to back him up.
8. Athletics (AL4) – Alex “Billy Beane” Heck becomes the first player in SWBL history to manage a team and not play in a season.
