

If you know me, you should know that I would be the first to admit when I have made a mistake. Well, yesterday I made such a mistake and it is time to own up to it. I released my 2015 NWLA Tournament Official Unofficial All Tournament Teams in Pitching, Hitting, and Fielding.

In just three minutes, the article was met with criticisms that I had completely overlooked! So without any more time to waste I tried as quickly as possible to roll out these NEW and IMPROVED 2015 NWLA Tournament CONCRETE OFFICIAL UNOFFICIAL NON-BIAS COMPLETELY MY SOLE DECISION All-Tournament Teams.

I broke it down into three categories: Pitching, Hitting, and Fielding. In each category there are three teams (1<sup>st</sup> Team, 2<sup>nd</sup> Team, 3<sup>rd</sup> Team) and in each category, I named three players. I tried to find a spot for at least one person per league, but alas, it could not be done because one team is just head and shoulders, better than the rest and rightly so, they were the champions, damnit! Please enjoy!
