

Remember after the NWLA Tournament in 2014 when I posed this question:

“Will there ever be a list for an All-NWLA Tournament Team?”

I thought to myself what a fantastic idea this would be to bring to our tournament. Since it was not already established, I thought that 2015 would have been the pilot year of the all-tournament team’s lists. BUT it didn’t happen and if it was going to happen in 2016...too bad...I did it the past two years so I am going to do it again this year and every year. It’s mine, so there.

So, I bring to you my (and only) version of the 2016 NWLA Tournament All-Teams List.

As a disclaimer, this is solely MY OPINION and of course, it probably would not be the official All-Tournament team’s list for the 2016 weekend, in fact, Gallaway probably wouldn’t even like the format, let alone the picks. Nonetheless, it still is something wiffle to read as we head into wiffle withdrawals

I broke it down into three categories: Pitching, Hitting, and Fielding. In each category there are three teams (1<sup>st</sup> Team, 2<sup>nd</sup> Team, 3<sup>rd</sup> Team) and in each category, I named three players. I tried to find a spot for at least one person per league, but alas, it could not be done and I only got twelve teams represented. SO, I decided to include at least one player from the other four leagues in an honorable mention and what category they maybe could have broken into...maybe. Now, enough small talk, here is the Official Unofficial (Possibly Bias) 2016 NWLA Tournament All-Tournament Teams Lists, ENJOY!
